INTERVIEW SUMMARY AND INFORMATION DISCLOSURE STATEMENT

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

Applicants' representative appreciates the courtesy of Examiner Desai in discussing the Information Disclosure Statement submitted with the RCE. Applicants' representative inquired why certain references were not initialed and Examiner Desai indicated that it was necessary to include a date with those references to be initialed. The attached PTO 1449 form lists references which were submitted earlier but not initialed.

The dates given for cite nos. AA-AQ are the filing dates for the applications in which the notice appears. The dates given for cite nos. AR-AU are the mail dates of the Supplement Search Reports from the EPO. The dates given for cite nos. BA-BM are the mail dates for the International Search Report. The date given for cite BN (Derwent World Patents Index Search (1997)) is the year the search was performed. The dates given for cites BO and BP (Iranian Patent 26555 and Lebanese Patent 6124) are believed to be the issue dates for these patents.

The Examiner is encouraged to contact the undersigned if any of the listed references cannot be considered or if additional copies are needed. Prompt attention to this matter would be appreciated since the Issue Fee is due on November 13, 2003.

Based on the above remarks, Applicants submit that the rejections should be withdrawn and the Information Disclosure Statement filed on November 19, 2002 should be considered.

Respectfully submitted

Richard J. Traverso, Reg. No. 30,595
